Thank you for your interest in the Wayne State University Irvin D. Reid Honors College!

Some of the many benefits of the Honors College:

- **Take Honors courses**: smaller class size, full-time faculty, and interaction with similarly motivated scholars
- **Graduate with distinction**: from a specially tailored departmental Honors track
- **Be part of the Honors community**: receive important notices abou Honors events, scholarship opportunities, travel options, and more
- **Register early**: during Honors Pre-Priority Registration

Two ways to become a member of the Irvin D. Reid Honors College:

- **By invitation:** to high school seniors invited to join the College after attending Honors Convocation; these students do not need to apply
- **By application:** for current WSU students or transfer students who have a 3.30 post-secondary GPA or higher

Incoming freshmen will need to complete at least one semester at WSU prior to applying. Transfer students should submit a copy of their transcript with applications.

You may be a member of both the Honors College and also pursue departmental Honors in your major.

Application Deadlines:

Applications may be submitted year-round and will be processed on a rolling basis. You will be notified of your acceptance via e-mail.

Processing deadlines:

October 15 (for Winter Pre-Priority Registration)
February 15 (for Fall Pre-Priority Registration)
June 15

You may earn Honors credits while waiting for your application to be processed. Requests for permission to register for Honors classes should be sent to honors@wayne.edu. Please include your name, WSU ID and the course reference number (CRN) of the Honors section for which you wish to register.

Application for membership in the Irvin D. Reid Honors College
