Department requirements (12 credits minimum)
Honors is a program that demands a higher level of performance and offers more personal supervision than the regular curriculum. It is recommended for qualified students who plan to go on to graduate or professional schools.

ο	You must meet all the ordinary requirements of the engineering technology major, and you must have a 3.3 GPA overall

ο	A 4200-level HON seminar (HON 4200 – 4280) (3 cr.)

ο	Thesis – Honors Option with ET 4990 (3 cr.) Students will take 2 semesters to complete.

ο	Two Honors Options courses within the Engineering Technology major, taught by a full-time faculty member (3-4 cr.)

Note: This worksheet does not contain all of your requirements to graduate. Please see an advisor for details.
