

Identify a WSU Faculty to mentor you for the duration of your project.

Suggestion: Think about a past class/es where you felt the faculty was engaging/interesting or even exciting. Reach out to that faculty for their availability.

Discuss with mentor a Topic/Question/Project that you want to expand.

Suggestion: Is there a question in a persuasive manner, or elements you want to extend in a project or academic essay?

- 1p | Tue, Sep 10 [P]

NOTES:

- ✓ Your Mentor must be a WSU, full-time faculty: i.e., Senior lecturer, Lecturer, Professor, Assistant or Associate Professor.
- ✓ Search for any WSU faculty using the search feature located on the WSU's home page.
- ✓ Request a 'block lift' to register for the HON 4998 course by emailing: honors@wayne.edu.
- ✓ Your attendance is required for the **Thesis Info-Session** (virtual meet.)
- ✓ Having a topic or topic-area before identifying a faculty can be helpful to ensure faculty has knowledge in that subject area.
